

August 1st, 2008

Dear Friend,

Parent and Child Educational Services (PACES) warmly invites your support of our 11th Annual Sock Hop, Silent and Live Auction by your contribution. Our Eleventh Annual Sock Hop, Silent and Live Auction will be held on **October 24, 2008**. We are expecting over 500 parents, friends, and community members, and hope to raise \$20,000. PACES is an educational organization that provides home educating parents with the tools they need. PACES facilitates tutoring, testing, evaluating, curriculum consultation, scheduling, speaking and workshops for home educating individuals and groups. PACES also provides a one day per week classical school-type setting for home educated students. This approach to education focuses on grammar, logic, rhetoric and the study of humanities, history and literature. PACES offers science courses along with foreign language to complete this superior liberal arts program. There is an entrepreneurial spirit among the parents, and we benefit from the talents of teachers that work long hours while making learning fun. However, PACES must rely on private sources to help fund scholarships and teacher training. In 1996 we initiated an annual campaign to raise the necessary funds, and we wish to continue that success this year.

Can You Help?

Your support will result in great exposure for your company before our grateful families and community in the greater Houston area. You will be listed in our auction booklet, distributed to our nearly 300 families, and listed on our website. You will also receive a thank you letter for your donation. All donation levels, as well as information on our educational programs, can be found on our website, www.pacesinfo.org. Finally, donors will also be invited to our event. A Participation Form is attached, and thank- you for considering our invitation. If you need further information, please feel free to contact me.

Sincerely,
Erin Lichnovsky
